A Wonderful Healing Influence In

Kidney Troubles.

A year and a half ago I was taken with a severe attack of kidney trouble that pained me to such an extent that motion had to be given me. Was attended by a doctor who pronounced it as Stone in the Bladder and prescribed Lithia Water. I took Lithia Water and Tablets for some time and received no medicines for some time, later having some Swamp-Root in the house I decided to try it and felt much relieved. While taking the second bottle commenced to pass gravel in urine until I had passed in all at least a half dozen or more—and in all have taken one bottle and a half and feel very grateful to Swamp-Root.

Yours very truly, H. W. SPINKS, Camp Hill, Ala.

Personally appeared before me this 16th day of August, 1909, H. W. Spinks, made oath that the same is true in substance and in fact.

A. B. Lee, Ex. of Justice of Peace.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

Prove What Swamp-Root Will do For You. Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention the Norway Weekly Oxford County Advertiser. Regular fifty-cent and one-dollar size bottles for sale at all drug stores. 10-13

Mad at Paint.

25c a gallon for paint is about \$2.50 on the average job, and lots of men waited last year for that; but they didn't reckon; they got mad; wouldn't pay it. There are times to get mad and refuse to pay; but when one's property needs protecting is no time to get mad and not paint.

Besides it costs more to get mad and wait than to paint.

Getting mad doesn't do any good to your property; paint does it good by keeping out water; no water no rot; no rot is more than enough to make a man liberal towards his painter and paint.

Paint costs not a cent. All the paint in the world, so long as it keeps out water, costs not a cent.

BRYANT POND.

Mrs. James L. Bowker. After a long illness extending over some four years, Mrs. James L. Bowker passed away at her home, Bryant Pond, Monday evening, March 15, 1915.

Her maiden name was Ellen E. Davis. She came from Sharon, Mass., her home town to visit her sister, Mrs. Daniel Bryant of Greenwood, when she was eleven years old. Later she attended the High school at Bryant Pond and on January 1, 1886, was married to James L. Bowker.

Their family consisted of five boys and two girls, all of whom are living, Irving and Wilford at Portland, Percy at Wakefield, Mass., Albert at West Paris, Elmer, a graduate of Colby College, class of 1913, teaches at Wallingford, Conn.

Mrs. Pearl Muller, the older of the two daughters, has lived at her father's home with her two children, Bessie and Freddie, since her husband's death.

Mrs. Fred Stanley, the younger of the daughters, lives at Berlin, N. H.

Mr. Bowker's family has been established almost half a century and this is the first death to occur.

Mrs. Bowker was a charter member of the Franklin Grange, No. 124, which was organized March 18, 1875, and consequently she was a member for forty years lacking three days.

She was also a member of the Jefferson Chapter, No. 89, order of Eastern Star. In 1895, at the time of the Hatch revival, Mrs. Bowker took an open and decided stand for Christ and the church, was baptized and kept her membership in the Baptist church of Bryant Pond until 1903. Her faith in God was strong until the last.

The funeral was held at the Baptist meetinghouse, Wednesday, March 17th, at 2 o'clock, and was largely attended by relatives and friends, and by the Grange and Eastern Star in bodies.

E. H. Stover, pastor of the church, spoke from the text, "And we know that all things work together for good to them that love God, to them who are the called according to His purpose."

Mrs. Stover sang "Lead, Kindly Light" and "Abide with Me." The Grange followed with their service and farewell.
